„Plasma Technology for new Energy Concepts“ – Matching event

Smart Mind Pitch - Deadline: May 31, 2020

Announcement

“Smart Mind Pitch“ Session

on September 8, 2020; 15:00 -16:00,
in Room Richard Strauss

We are inviting researchers to present their **fancy ideas, unusual approaches or extravagant concepts** for research projects in the field of our conference main topic **Plasma Technology for New Energy Concepts**

Main purpose of this **Matching Event & Discussion Forum**

is to connect smart minds, to give an additional opportunity to initiate cooperation in thinking further and solving problems.

- Find your research partners
- Find your industrial partners
- Find the right funding solution for your project

The Application

of the research teams should contain an outline of the addressed challenge including

- the title
- the main open issues to be solved, possible fields of cooperation
- the contact data

The Challenge

Each Speaker of six nominated research teams should present the project idea within only 5 minutes and will get some minutes for a clarifying answer on questions by the audience.

All other teams accepted for the “Smart Mind Pitch“ Session will be asked to prepare a poster as basis for discussing their ideas with interested people right after this session in the area of the “Smart Mind Pitch“ Meeting Points.

The Deadline

for proposing a project idea for the “Smart Mind Pitch“ is **June 12, 2020**.

Please send your application to pse-conferences@efds.org .
